Homeschool Market Day

Once again, Homeschool Idaho will be hosting the Curriculum Resale Event OUTSIDE for "Market Day" appeal.

To make loading/unloading easier, sellers will park in a designated spaces and sell their items from behind and beside their vehicle. This cash-only sale allows you to shop directly from homeschool families.

As a seller, you will be making online reservations for parking spaces. Your materials will be sold behind your vehicle, reducing your loading/unloading burden. Your first parking space, which is where you will park your car, will provide you with 4' x 10' feet of space for sales. Should you require an additional parking space due to the quantity of merchandise you are selling, you may add parking spaces (additional are empty spaces beside your car). Each parking space may be reserved for \$10.00.

Homeschool Idaho will NOT be including tables with spaces. Should you require tables, you may reserve 8' x 2' tables for \$12.00 per table. You are free to bring your own tables and chairs from home. We are allowing 4' x 10' of sales space behind each car, which will accommodate only one table.

For safety, no tables may be placed between cars. Additional tables must be set up in a reserved adjacent space. If you plan to utilize multiple tables, please reserve multiple spaces.

If you would like to provide shade from the sun for your space then we suggest that you bring a pop-up awning or patio umbrella with a stand.

Please note that reserved spaces are nonrefundable.
